

Laundry Washing Powder

Ingredients

250g coconut soap powder
400g fine (milled) salt
500g natural borax
500g Sodium Carbonate (Washing Soda)
50g Sodium Bicarbonate (Bicarb Soda, Baking Soda)

Instructions

Measure the ingredients into a large plastic container
Shake to Mix

Use 1-2 tablespoons per wash

Notes

If the borax has gone lumpy it can be blitzed in the food processor / thermomix for a few seconds.
